

Principal of Plymouth South High School

I would like to take the time to say thank you on behalf of the Mass State Track Coaches Association for agreeing to host our annual MSTCA Red Auerbach Freshman Sophomore Track and Field meet this weekend. Your Athletic Director and spring track coaches did an outstanding job of preparing and of hosting this huge meet. As a result of their work a thousand track athletes had a positive experience despite the weather problems. I have send Jeff Tracey a personal note of thanks also and asked him to thank all those at Plymouth South High School who impacted the meet.

Sincerely,

A handwritten signature in cursive script that reads "Frank Mooney".
